FALL 2022

Father's Love Banquet

Thank you to everyone who came out to support Tabitha Ministry at our Father's Love Banquet on Tuesday, 9/20/22, at Calvary Church in

Greensboro. A special thank you to Sherri Harvey & her son Phillip Eisenman for their powerful testimonies and to

Inspire Worship Co. for providing the music. We appreciate all of the volunteers and donors who made this event possible.

First Time Voters!

Congratulations to residents Amy (left) and Susan, who voted for the first time at Bur-Mil Park on Monday, October 24.

Spiritual Retreat for Residents

Spiritual Retreat was provided courtesy of the Redeeming Love Foundation.

On October 1-4, the Tabitha Ministry residents participated in a spiritual retreat at Fort Caswell on Oak Island, courtesy of the Redeeming Love Foundation. The three areas of focus during this retreat were...

- ◇ The dangers of living a life of compromise
- ◇ The characteristics of strong leaders
- ◇ How suffering expands our capacity to love

Ministry Update

Thank you to everyone who contributes to the Tabitha Ministry community!

Reflecting on 2022 has been with mixed emotions. Finding our new norm in the midst of so many changes has been challenging as we have had to adapt without Cindi, but this year has been one of blessing. God has been so faithful to make it known that He has a plan to continue to prosper this ministry. We are coming up on the first anniversary of her passing and are more than ever aware of how blessed we all are that she provided over 20 years of groundwork, discipleship, and development of what Tabitha Ministry looks like today. Our team is so thankful for all that she had in place to continue her legacy.

Keith, our CEO, has finally received the back surgery he has been awaiting for so long, and is now recovering at home and looking forward to a new year without pain! Definitely another blessing to add to our list of thankfuls this year. Please continue to pray for his complete healing.

Our ladies have been so busy this quarter and time has just flown by. More graduations are around the corner and everyone agrees that the time went by way too fast. Since our last update, they have been to the Joytime women's conference and were able to meet several of the performers and speaker, but there was definitely a little swooning

over Jason Crabb who was so sweet to take individual pictures and show true interest in each one. Our banquet quickly followed and we were so blessed with an amazing evening of fellowship. We then had an amazing time at the beach touring Fort Caswell, the USS North Carolina, walks on the beach, crafts, and discussing Godly character in our lives. They had the opportunity to see Natalie Grant and her family perform at the beautiful Carolina Theater. See photo below.

We went to Pilot Mountain on a day trip to see the gorgeous fall foliage; experienced a step back into history with a stop at the Old Mill of Guilford; and learned the history of Summerfield, where we are located, and actually explored the town hall and original intersection of this small

historic town. Sometimes we live right in the midst of history and never bother to find out what happened in the very spot we take for granted.

One Sunday morning a month, the residents go to downtown Greensboro with a group from First Christian Church in Kernersville to feed and supply the homeless. This is one of the events they look forward to the most. Most recently, our ladies went to see an orchestra perform at Greensboro College, which happened to include our favorite trombonist, David Guion. David is one of our store volunteers and has also invited the ladies to his annual candy-making extravaganza.

Tabitha Ministry values “experiences” to show the ladies that they can expand their world to areas they were never able or cared to participate. Just being able to have a frame of reference to discuss a broader worldview gives them the confidence to understand that opportunities are available to them and enables them to converse on many varied topics. They are already getting excited about the upcoming Nutcracker Ballet. This will be a first for all of them and it is so rewarding seeing them take all these “first steps”!
